

# STEP 1 UPPER PIT RIVER PROJECT APPLICATION

## INSTRUCTIONS

**PROJECT NAME:** *Make it descriptive (i.e. Climate Change Implications for Macro-Invertebrates, Irrigation Water Conservation Using Smart Irrigation Systems, Restoration of XX Meadow Using Plug and Pond Method, etc).*

**PROJECT SPONSOR** *(the organization and key contact person implementing the project):*

Phone:

Email:

**PROJECT TYPE:**

*Place an "x" next to the appropriate project type. If none of the provided categories are appropriate, please provide your own in the box called "other." If your project consists of more than 1 project type, please use a "1, 2, 3" mechanism to rank the types in order of importance or share of the budget.*

	Fire / fuels Management
	Planning / assessment
	Environmental Restoration
	Facility Construction and /or Improvement
	Community or School Education
	Monitoring
	Best Management Practices
	Demonstration Project
	Other – <i>please describe:</i>

**BRIEF DESCRIPTION OF PROJECT:** *Provide the basic details of your project, including WHAT, WHERE, WHEN, HOW (No more than a single page, 250 words).*

**BRIEF PROJECT TIMELINE:** *Include basic information regarding project milestones or deliverables with timeline.*

	Month 1	Month 2	Month 3	Month 4	Month 5	Month 6
Task 1: <i>describe</i>						
Task 2: <i>describe</i>						

**COLLABORATORS/PARTNERS:** *List partners in the appropriate columns below. Add more lines to table as needed.*

Potential Partners	Confirmed Partners

**PROJECT STATUS**

Design complete	<input type="checkbox"/>	Yes
	<input type="checkbox"/>	No (provide details below)
	<i>Details:</i>	
Engineering complete	<input type="checkbox"/>	Yes
	<input type="checkbox"/>	No (provide details below)
	<i>Details:</i>	
Project does not require technical design or engineering	<i>Provide details:</i>	
CEQA/NEPA complete	<input type="checkbox"/>	Yes
	<input type="checkbox"/>	No (provide details below)
	<i>Details:</i>	
No CEQA required	<i>Provide details:</i>	
No NEPA required	<i>Provide details:</i>	
Performance Measures identified <sup>1</sup>	<input type="checkbox"/>	Yes
	<input type="checkbox"/>	No (provide details below)
	<i>Details:</i>	
Monitoring Plan complete	<input type="checkbox"/>	Yes
	<input type="checkbox"/>	No (provide details below)
	<i>Details:</i>	

**BUDGET**

Total Project Budget:	
Match	Amount:

<sup>1</sup> Performance measures are a required component of DWR-funded implementation projects, and can also be described as deliverables.

**MEASURABLE OUTCOMES**

*This may be simple, but it must be specific. It may include measures such as: "miles of fence laid", "number of stakeholders contacted", or "acres of forest treated".*

**MAJOR ISSUES ADDRESSED**

*Place an "x" next to all issues that your project deals with. If none of the provided categories are appropriate, please provide your own in the box called "other."*

	Water quality
	303(d) listing: warm vs. cold water fishery
	303(d) listing: monitoring actions
	Stream channel erosion or alteration
	Stream bank erosion
	Non-native (invasive) species
	Seasonal low flows
	Lack of water upstream of the confluence of Pit and Fall Rivers
	Watershed improvement projects
	Alteration of aquatic, riparian, and wetland habitat
	Fisheries resources
	Sensitive wildlife and game species
	Disadvantaged community needs
	Resource-based economy and job opportunities
	Illegal garbage dumping on forest land
	Regulations: number and/or consistency between
	Widespread drainage of land
	Fire suppression
	Fuels management
	Distrust of public agencies
	Drought management
	Burney area floodplain listing
	Ground water data
	Data sharing/repository
	Other (please describe):

**LOCAL PLANNING DOCUMENTS**

Are there any local planning documents that address and/or support your project? If so, explain.
